The UCSB Center for Black Studies Research presents

**Of Water and Women:**
The Kola Nut and Feminine Power in Ifa-Oriṣa Religion

Research talk by Dr. Funlayo E. Wood Menzies
Postdoctoral Fellow, Center for Black Studies Research

Wednesday, April 10, 2019
4:00 p.m.
UCSB Center for Black Studies Research
4603 South Hall

*Dr. Wood Menzies will share excerpts of her forthcoming book, which examines the kola nut—source of the word “cola”—as a drug, a divination tool, and a divine feminine presence.*
